produced by the manufacturer

GENTAŞ A.Ş.

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that Kiwa has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance of the factory production control.

This declaration attests that all provisions concerning the attestation of factory production control described in Annexes ZA of the standard

EN 438-7:2005

were applied, on a voluntary basis. This declaration was first issued on 01-11-2008 and will remain valid as long as the harmonised European standard remains valid or the manufacturing conditions in the plant or the factory production control itself are not modified significantly.

On the basis of this document the manufacturer is allowed to use the Kiwa FPC Label as shown on this page.
